# About Skill Academy

Skill Academy by Testbook is a pioneering educational platform introduced to offer college students the most in-demand professional skills & 100% placement support.

## Unique Features of Skill Academy :

- Industry-Recognised Internship Certificate
- Designed for Freshers
- Hands-on real world projects
- Become Job Ready

# How to Participate ?

---

## **Step 1 : Registration** (TPOs will share the Mega Campus Drive Application Form with students)

Candidates can fill out the form with the required details and submit it.

## **Step 2 : Placement Preparation**

This involves providing comprehensive training to prepare students for the upcoming placement drive.

## **Step 3 : Online Assessment Test**

Students take part in an online assessment test, and their performance will be a factor in shortlisting for the placement drive.

## **Step 4 : Shortlisting**

Skill Academy informs shortlisted candidates via email, providing details about their participation in the mega placement drive.

## **Step 5: Participate in Mega Placement Drive**

Shortlisted candidates actively participate in the mega placement drive, showcasing their skills and qualifications to potential employers.
